**The calculation of "U#" works as follows:**

FALL Season: for Players born in the months of January through July, the U# = Calendar YEAR - YEAR of Birth + 1

FALL Season: for Players born in the months of August through December, the U# = Calendar YEAR - YEAR of Birth + 0

SPRING Season: for Players born in the months of January through July, the U# = Calendar YEAR - YEAR of Birth + 0

SPRING Season: for Players born in the months of August through December, the U# = Calendar YEAR - YEAR of Birth - 1

Except in the case of U19, any ODD number result is rounded UP to the next EVEN number. For example, U11 is rounded up to U12.
